Karo read the minutes of the February 15, 2006, BOD meeting. Bob moved with second by Terry that the minutes be approved as read. Vote taken; motions carried.

1. Scholarship. Jim reported that he still doesn't have any official applications but that members Charles Panzer and Amy Sigler, among others, are taking posters [that Jim so expertly created] to several schools and requesting that they be posted. Jim will contact API, the Aerohawks, and the EAA Chapters in Muscatine and Cedar Rapids to ask if they will "spread the word." Bob said that the person he spoke of last week who had intended on applying IS ONLY 15 YEARS OLD. Bob reported that the enthusiastic young lady wrote a report about our club for a school project and read it to her class. We certainly encourage her to apply next year. Terry will contact Roger Clark to see if we may make the posters available to attendees of the FAA Safety Seminar that's scheduled for 1900, March 7, 2006, at Iowa Hall, Kirkwood Community College.
2. Discussion was held regarding whether to reward members who pay a chunk of "front" money and fly it off. No motion was made, but the general consensus was that it wouldn't be a good idea at this time.
3. Don reported that a vast majority of new members are here as a result of a current member's encouragement. After discussing the issue, Don moved with second by Jim that any member who brings in a new member get \$50 credit on his account. Vote taken. Motion carried. [Note: Karo will send Jim the membership application for revision.]

Bob moved with second by Terry to adjourn. Vote taken; motion carried. Meeting adjourned at 7:15 p.m.
