Vice-President Don Nelson called the meeting to order at 6:30 PM.

Other Board Members Present: Bob Dunn, Terry Koehn, Jim Beeghly.

Acting secretary: Beeghly

Members Present (Apologies if I missed any): Rita Orr, Nick Paxton, Dick Minette, Tony Condon, Dave Droll, Brian and Kristin Rohr

Guest: Em Norden

Minutes for the June 21 meeting were not available tonight.

OLD BUSINESS:

Lottery: Dan Uphoff did not claim his lottery prize from last week. Tonight's name drawn was Nicholas Paxton, who was judged present at the meeting (he had to leave early to fly) for purposes of the lottery.

Citabria: Duke is working on the wing. We are hopeful of having it back in a week or two so we can get to work covering it.

Treasury: Cash flow has improved. Our current bills are paid or will be shortly as we move towards the next dues collection.

NEW BUSINESS:

Dave Droll and Kristin Rohr have donated a very fine framed photo of the 2006 Scholarship Concert as seen from the Green Castle Tower. Dave created the photograph. Kristin did the framing. We all get to enjoy it.

Our scholarship student, Gabe Lenz, has soloed. CONGRATULATIONS, Gabe!

We are actively considering the purchase of a complex airplane to restore our instructors' ability to provide training necessary for more advanced certifications. We have enough willing investors to go ahead and are actively considering a couple of Arrows

Bob moved with second by Terry to adjourn. Motion carried. Meeting adjourned approximately 6:50 PM.
