### OLD BUSINESS:

1. The Skyhawk's back and is up and flying. Upon its return, we had to install a new alternator, but it's doing just great; members who've flown it says it has a noticeable increase in power. Mark Elbert will take it to McCandless next Wednesday for work on the radios.
2. Don stated that, with the weather improving over the last week, there's been quite a bit of flying taking place; money is starting to come in. He also said that we've added a new member; total membership is now 193.
3. Quad Cities Airshow: "Marty" usually charges \$400 per hour for his 20-passenger limo; however, he'll give his buddy Calvin a deal and will charge only \$200 per hour [to take GC members to the airshow]. Rick said that he'll check into renting a van.

### NEW BUSINESS:

1. Don said that our main computer has "a mind of its own" and is on its way out. If anyone has a computer they'd like to donate to the club, PLEASE CONTACT DON/TERRY.

Bob moved with second by Brett that the meeting be adjourned. Vote taken; Motion carried. Meeting adjourned at 6:44 p.m.
